

Island Harvest Has Food for Long Island's Veterans!

Long Island has the nation's second largest veteran population and many of these families experience tough economic times.

- **Operation: HOPE** is a mobile food pantry program offered by Island Harvest that delivers a one-time, one month supply of food to Long Island veterans and military families in need of food assistance.
- The goal of **Operation: HOPE** is to connect veterans and military families to veteran services and other social benefits to help the families of our servicemen and women
- The food is delivered by a veteran who is sensitive to the needs of other veterans and their families.
- Veterans and the families of active duty personnel who are in need of food assistance should *call or email Anthony Brites at 631-873-4775 ext. 212 or anthony@islandharvest.org.*
